DRESS REHEARSAL

Please note that all accounts must be paid in full before the recital.

1. Dress rehearsal at the dance studio: will occur the two weeks leading up to the show. They are the weeks of June 5th and June 12th. The dress rehearsal will occur during your child's class time. They will need full hair, make-up, tights, dance shoes and costume the first week only. They will need costume only the second week.

2. Dress rehearsal at the theater: will occur the morning of the show, Saturday June 17th. *Please see the front page for the arrival time.* There will be a check-in table in the lobby of the theater. ALL dancers MUST check in at the check in table before going to their dressing room. Each class will have a dressing room assigned to them. Volunteers will be available to assist. Signs will be posted on the doors of the dressing rooms to help guide the dancers to the correct location. Only one parent/guardian is allowed to walk their dancer(s) to their dressing room. Only volunteers are allowed to stay backstage.

Dancers should arrive in their first costume. *They will not need their hair and make-up done for the dress rehearsal, full costume only.* If they have more than one costume they are to hang them in their dressing room. Dancers will wait in their dressing room until they are called to the stage. Dancers should stay in the original dressing room assigned to them. They are not to relocate dressing rooms at all.

Parents/Guardians are allowed to sit in the theater while the dancers rehearse. Once a dancer is finished rehearsing **ALL** of their dances they will be allowed to check-out with the volunteer of the dressing room and go home to rest and eat lunch / dinner. Please allow the dancers to rest between the rehearsal and the performance. Their energy needs to be up for the performance.

If a dancer is present all day please provide a lunch. Non-staining food and water only.
Dancers age 3-7 will rehearse first. Once a dancer is finished rehearsing they can go home and rest. We are not rehearsing in show order.

PLEASE NOTE: Parents/Guardians who are not assigned to chaperone the dressing rooms will not be allowed to stay in the dressing rooms or the backstage area. There is limited space in the dressing rooms and we have a lot of students performing. Parent chaperones / volunteers will be recognized by their badges and/or t-shirt.

PERFORMANCE

The performance is at 5:30 PM ALL STUDENTS MUST be at the theater by 5:00 PM to check in. Check in will take place in the dressing room with the volunteer. They will wait in the dressing room until it is their turn to perform.

IMPORTANT NOTE: ALL dancers are in the finale (curtain call). During the performance dancers will not be allowed to leave their dressing room after the show is over. Once the finale is over dismissal will begin. **If there is a dancer that must leave for any reason and they cannot perform in the finale a note from a parent is required. Please give us the note by June 1, 2023.**

DISMISSAL PROCEDURE

After the recital you may pick-up your dancer(s) from their dressing room. You must have a picture ID. Please present your ID to the volunteer who is watching your class so they can sign your child out. SAFETY FIRST, only one parent/guardian is allowed to go backstage to pick up their child. Please refer to the map attached to see how to enter the backstage area. Please no additional family members/friends backstage. Men are not allowed backstage.

SAFETY

Children **MUST** be safe at ALL TIMES! Only parents that have been assigned back stage duties will be allowed to stay in the backstage areas. These parents will be recognized by their badges and/or recital t-shirt.

It is crucial that all dancers check in when they arrive and check out after the show ends. We must know where the children are at all times. Please be patient with us as check out may take a long time. We want to make sure that students leave with the correct person. Please make sure that the same person checks a student in and out. This will help us with assuring the children are safe. You must have an ID present to pick-up your child.

RULES for Dressing Rooms

1. No candy or gum is allowed. Only non-staining food is allowed. Please feed your children before they arrive.
2. Only water is allowed, this will help keep costumes clean.
3. Please give your child a book to read or a drawing/coloring activity/tablet to help entertain them backstage. This will give them something to do while they wait for their dance (NO PAINT or anything messy). Oceanway School of Dance assumes no responsibility for person items brought to the theater.
4. All cell phones must be on vibrate.

RULES for the Theater

1. Video taping is not allowed. A professional videographer will be videotaping the performance. Order your copy today by going to www.mediapipeline.com/osd
